

## Welcome to Our 2024-2025 After-School Program!

Dear Parents and Guardians,

Welcome to our After-School Program! We are excited to offer a safe, nurturing, and enriching environment for your children. Our program is designed to support working families by providing quality care and engaging activities for students from Kindergarten through 8th grade.

Our mission is to provide a safe, nurturing atmosphere where children can exercise individual responsibility, socially interact with peers, and participate in activities that promote a healthy self-image and enhance their quality of life.
